Department of Economics  
University of Kansas  
Snow Hall 257  
Lawrence, KS, 66045

## Education

**University of Kansas, (GPA 4.0)**  
Ph.D. Candidate in Economics, 2014-2019 (expected)  
Graduate Certificate in Applied Mathematics, 2018 (expected)  
M.A. in Economics, 2016

**Guangdong University of Foreign Studies**  
B.A. in Finance, 2014

## Research Filed

Labor Economics, Health Economics, Applied Microeconometrics,  
Applied Machine Learning, Natural Language Processing

## Research Projects

**Working Papers**  
"Does Age-Based Public Health Insurance Eligibility Save Medicaid Divorce?  
Regression Discontinuity Evidence at Age 65" [[PDF](#)] [[slides](#)]  
"Monte Carlo Simulation on Causal Forest" [[PDF](#)] [[slides](#)] [[GitHub](#)]  
"Sentiment and Content Analysis Surrounding the Pulse Nightclub Shooting", with Mohammad Isyroqi Fathan, Sri Gayatri Sundar, Muhammad Saad Adnan, and Sierra Seacat [[PDF](#)]  
"Occupational Effects of Housing Boom and Routine Biased Technological Change"  
**Work in Progress**  
"Does Health Insurance Share Cost Affect Health Care Utilization? Evidence from Asset Test Removal in Medicare Savings Programs"

## Kaggle Competition
